A doctor's note is a small document that excuses an individual from an event or activity based on medical reasons. For instance, if you were born with a bone deformation, you would use a doctor's note to present to your gym teacher or place of work, stating you cannot be involved in certain activities that put a strain on the bone.

The Bottom Line: A Fake Emergency Room Note Is the Best. When you provide your employer with a high-quality fake emergency room note, you get a 100% free pass out of work for a period designated by your exact condition. This is how our legal system works as the boss can't force you to go to the office when you clearly require urgent medical care.
