Group psychotherapy or group therapy is a form of psychotherapy in which one or more therapists treat a small group of clients together as a group. The term can legitimately refer to any form of psychotherapy when delivered in a group format, including Art therapy, cognitive behavioral therapy or interpersonal therapy, but it is usually applied to psychodynamic group therapy where the group ...

A group of gnomes laughs as one of them activates a clever wooden toy that moves of its own accord. Half-elves and half-orcs live and work alongside humans, without fully belonging to the races of either of their parents. And there, well out of the sunlight, is a lone drow—a fugitive from the subterranean expanse of the Underdark, trying to ...
